

Kindergarten Student Assessment Reports 2019

Dear Parents/Carers of Kindergarten Students

The Kindergarten teachers at St Michael's Catholic Primary School are pleased to be able to provide the Semester 2 2019 Student Reports for Kindergarten. These reports have been prepared in line with the school's Reporting policy, Catholic Education Office guidelines and Australian Government legislative regulations. The report includes teacher's comments about your child's academic performance, and information about your child's social and personal development.

On the front of the Kindergarten report is an explanation which covers:

- Achievement Levels
- Commitment Levels
- Positive Behaviours for Learning Results

The three areas will give parents a comprehensive guide to your child's progress at the completion of the school year. These levels are awarded taking into account the knowledge, skills and understandings demonstrated by the child, observations of individual work completed in class, contributions to group work and/or class discussions, assessments of learning activities completed in workbooks and other factors.

Semester 2 Reports will be available through the Compass Parent Portal from Thursday 12th December.

You can access it via the Compass School Manager App on your mobile device, or through the Compass School Portal on a device with an internet browser. The report will be in PDF form, and you can simply view it online, or download it for your own records.

Request for Parent/Carer and Teacher Interviews to discuss report:

You are warmly invited to make an interview time with your child's teacher if you would like to discuss your child's progress. Interviews will take place from Monday 16th December. The times that teachers are available are provided in our online booking system. The teachers look forward to meeting with you in these interviews. It is important to book immediately as interviews times will be allocated on a "first in" basis. The dates and times that teachers are available are provided in the school's student management system, Compass.

Accessing Compass

Compass is a web-based system that is accessible on any modern web browser or by using the Compass School Manager app available for iOS or Android.

To access our Parent Portal on your computer, go to: <https://smndow-nsw.compass.education>

Valuable Information for Parents/Carers

I trust parents/carers find that the Kindergarten student Assessment Reports are informative and valuable in providing insights into your child's academic, social and personal development. It is hoped that this Kindergarten Semester 2 Assessment Report assists in enhancing and strengthening our educational partnership between home and school for the benefit of your child's continued successful progress.

Please remember to get online and book an appointment.
The closing date is Sunday 15th December at 5pm.
