Dear Principal,

I am thrilled to let you know that I am running a Christmas Card Drawing Competition for 2025 – and I would love to invite your students to be part of it.

This year's theme is **"Christmas at the Beach"**, and students are invited to get creative and draw their best interpretation of a South Coast Christmas by the sea. A selection of winning artworks will be proudly featured on my official Christmas cards for 2025, which are sent right across our community.

As an extra reward, winners will also receive a book voucher to celebrate their artistic achievement.

To participate, students simply need to complete their drawing on an A4 piece of paper and ensure their name, school, and age are written on the back. Drawings can either be sent to my office PO Box 1436, Nowra, NSW, 2541 or dropped in to 1/57 Plunkett Street Nowra or scanned and emailed to southcoast@parliament.nsw.gov.au. All entries must be received by **Friday, 17 October**.

I am looking forward to seeing the imagination and talent of our local students shine through in this year's competition.

Thank you for encouraging your students to take part in this fun and festive opportunity

Kind regards,

Liza Butler MP
