

NOWRA SWIMMING CLUB

Summer Season 2025 2026

Nowra Aquatic Park for Fun and Fitness

commencing Friday 17th October, 2025

Each Friday evening throughout the season, there are a variety of point score events ranging from 16m - 100m. A point score based on improvement in time is operated throughout the season. This rewards both participation and how close swimmers get to their personal best time.

A variety of longer distance swims are scheduled throughout the season. These swims are either perpetual championship events or memorial events.

The Age Championships are held over the last two weeks of the season; again these have entry requirements.

A Christmas Party is held including water sliding, swimming and lots of fun.

Come along and try for a few weeks. The only cost is pool entry. If you enjoy it, you can become a member. Membership fees include pool entry for the season.

Our BBQ is fantastic and is always in operation on club nights. Sausage sandwiches, Egg 'N' Bacon Rolls, etc are all available at very reasonable prices.

**Nowra Swim Club aims to provide a fun, family environment
to practice swimming for all ages and abilities**
